## GIVE PRAISE TO GOD

### Opening Words

Leader: Seek the Lord while he may be found. Call on the Lord while he is near.

**People: We look to you, Lord, and listen for your word.**

Leader: Trust that the experiences of our lives combined with the provisions God has given us will all work out for our good.

**People: Praise be to the One who leads us out to joy.**

**ALL: Hallelujah!**

### Opening Prayer

Gracious God, we come before you with joy and thanksgiving for who you are and for all you give us. We praise you especially for your word, which changes our lives. Our hearts break into song as we perceive your love and purpose for us. We confess that our thoughts are not always on the level of your thoughts, and our ways often fall short of your ways. In spite of this, you extend mercy to those who turn to you. Lord, grant us the strength that comes from trusting in your word. In the blessed name of Jesus, we pray. Amen,

**Song**

*Praise the Lord, sing hallelujah*
