# News and Announcements

It was announced that the Commonwealth of Virginia will enter Phase Two of reopening on Friday, June 5. Our Church Board members met via Zoom to discuss whether they felt comfortable in reopening in-person worship services. We came to the decision that we, as West Richmond family members, were not ready to resume worship services in our sanctuary just yet. We took into account the age and/or health status of our members. We will re-evaluate this decision at the next Board Meeting. Right now we have the opportunity to worship together, while being socially distanced, through our live-stream service.

Hilltop Preschool Summer Camp 2020! Starting June 22nd. Enrolling NOW! Limited spots. Outside drop-off and pick-up. Camper health screenings upon entry. All safety measures followed. Covid/CDC Guideline Compliant.

We have hired a cleaning company called Ready Willing & Able Cleaning, owned and operated by, Lisa Smith. We are excited to have her start next week getting the Preschool ready for summer camp and having her in place once we open the Church building as well.
