

DARRYL LYNCH OBITUARY

LYNCH, Darryl Sean, 64, passed away, as he would say kicking and screaming, on Monday, September 12, 2022 after a brief, but fierce battle with pancreatic cancer. Darryl will forever be loved by Sandra, his wife of 41 years; daughter, April (Matt) and grandchildren, Berkley and Luke; daughter, Sloan (Brendan) and grandchildren, Sean and Gavin; daughter, Claire (Wes) and grandson, Graham. Darryl will be warmly remembered by his brothers and sisters, Dana Lynch (Alison), Denise Bush (Harrison), Dennis Lynch (Kelly), Daniel Lynch (June), Douglas Lynch, Dorsay West, Deirdre Lynch, Derek Lynch, Dion Lynch (Karen), Darren Lynch, Dodie Lynch, Dolores "Sweetpea" Rotunda (Chris); his sister-in-law, Cathy Vanderhoff (Steve); brother-in-law, Joe Martin; and numerous nieces and nephews.

Darryl was born in Richmond, Va. He went to Freeman High School and continued to cheer them on for every sporting event throughout his life. At the age of 23, Darryl married his high school sweetheart and his family became his top priority. He spent many years coaching his daughters in soccer and softball; he was always their number one fan. While he was a devoted husband and father, he wore no title better than that of Pop-Pop. His grandchildren could always count on him for popsicles for breakfast and matchbox cars in his pocket. Darryl was the type of guy who never met a stranger and would talk the ear off anyone he saw during his daily Kroger runs. He loved to cook and spent his whole life feeding his family and friends. His favorite saying was that he could be found with a beer in one hand and trouble in the other. His larger than life personality filled every room he entered and it will be felt by his family forever.

A service will be held on Saturday,
September 17 at 11 a.m. at West
Richmond Church of the Brethren, 7620
Wanymala Rd., Richmond, Va. 23229
with a reception to follow. The family
will receive family and friends one hour
prior to the service. In lieu of flowers, the
family asks that you make donations to
charities in your area that support cancer
patients in their time of need.
